Comments

“ Ronnie was a real friend. I met him while I was in cosmetology school. I cut his hair all the time. It had to be done with just the right strategy.

He had an appointment to get a haircut but my mother had passed and then I learned he was a real guy!

I'm so surprised to learn of his passing, my husband and I wish for comfort and peace of the family.

“ I remember Ronnie from visiting my mom at SKLD/Heartland. He always had a song to sing, and just seemed to have a lot of joy to share. He always made me and my mom smile!
