“ I've had the pleasure of knowing Sam for a very long time. When we were kids, She would come over to visit me and my sister, riding her little spree, which I thought was the coolest thing back then! I also remember sleepovers at her house which entailed playing a lot of video games, while she taught me all the tricks playing Mario brothers. (she was super good btw). I have a lot of fond memories of her, and she was a sweetheart of a friend, who will always have a special place in my heart. To her children, friends and family....I am very sorry for your loss. Sending Hugs, Prayers, and strength to you all, during this difficult time.

“ I am sorry Samantha! I feel bad that we never connected after my stroke. I sure am going to miss you! It still doesn't seem real that you are gone. Heaven needed a really special angel and you fit that part perfectly! I am sitting here thinking about you and your family. Glad that we had some fun times with the boys. Your family has one amazing angel looking after them from above. Until we meet again! Rest in peace my friend! Love you

“ I remeber the day I found out I was pregnant for my oldest son Dakota. I took the hpt test and ran out of the bathroom while Sam and Angela went to see the results. I remember senior prom, I remember you and some others (I won't mention names) picking me up from school after first hr to go to the "apartment". Then there was everyone's version of "Hawaii". So many memories, I can't share them all, but they and you will never be forgotten. Love you girl and I am so sorry that we lost touch.
