“ Scott Wayne, I love you and miss you already. Our life journeys kept us apart most of our adult lives. But I cherish the times we had together. Your laughs, your smiles, your stories could light up any room and liven any party.

I'll miss our walks and talks when Linda and I got to Muskegon each year. Neither of us talked about the time between visits, we could just pick up like it was yesterday and not another year that passed. Thank you for letting me help with small repairs to your home whenever I could. It always gave me joy that I could help in some way, even if it was small.

I am sad that you will not be there whenever we return to Muskegon, but you will always be there in my heart, baby brother. I also know that Louie and I will talk about you a lot. If anybody ever really loved you, it is Louie. You and he, always worrying about each other and not fully understanding that we all make our choices in life, even those choices not the best for us. I promise to do my best to keep an eye on Lou for you. He is my brother too and I love him too.

I thank the Lord that he has given you peace. Say “Hi” to Mom and Dad for me. Save places for Linda and me so we can walk on and on and on together. With all my love, your brother, Paul W.

“ So sad to hear of Scotty's passing, he was a lot of fun back in our BLT days and I am super glad that I have run into him over years. He was as sweet and as funny as he always had been. My sincerest condolences to your family.

“ So many beautiful people in this world, and Scotty was one of them. As nice of a person as I've ever met. So saddened and sorry Scott is gone too soon. Sharing my heartfelt condolences with Scotty's family and loved ones.

“ So sad! Scotty was a friend to both of us! In the late 60's, early 70's, he was a student manager for Jerry's MHS Baseball team. When he worked at The Tohado House, he introduced Nancy to Golden Cadillacs, which resulted in many return visits! Jerry & Scotty enjoyed many hours reminiscing MHS Baseball games, MHS Football games and mutual friends. A True BIG RED! He will be missed by all who had the pleasure of calling him a friend. Condolences to Lou and the rest of the family! RIP Scotty!

“ Condolences to the family. Scott always had a kind word when our paths crossed. BLT, Lakeside...or just walking down Ruddiman.

Rest in peace, Scott.

“ Lou, sorry to read about the passing of your brother Scotty. Back in the day we all would have a lot of fun at the Tap room and playing golf around the area. Scotty was a great guy, funny and fun to be around. He will be missed!
