“ Shelly and I shared a classroom at Evergreen for a couple years. She was a bright light in each day. She was kind, fun and caring and always expressed so much love for her family. Even though we lost touch after I left, I frequently think of her and truly cherish the time we spent together. May her bright light continue to shine on all of you.

“ Shelly worked with me at Evergreen. She would pop in my room for a quick chat which would always turn into a beautiful, deep and rich conversation. I loved visiting with her. She was a little ray of sunshine in the day! She spoke with so much love for her family with every ounce of her devoted to them. May her beautiful heart and smile stay with you always.

“ I always remember Shelly as the sweetest cutest girl with her big brown eyes. When the kids were in grade school I would load up the station wagon and we would go for ice cream. Our cocker spaniel would come too and Shelly would giggle and laugh when Buffy tried to get everyone's ice cream. Shelly was lovely and our family sends our condolences and prayers. We are sorry for your tragic loss. Sharon Riecki and family.

“ I am so sad to hear about Shelly passing away. My memories are of Shelly when she was a child. My family lived across the street from the Kramers and we saw them all the time. I used to babysit Shelly and Rich. We lost touch when we moved away but Shelly was a

beautiful and sweet girl. There is one more angel in heaven. Sending my prayers to Shelly's family.
