“ Oh my Steve was such a great guy that became part of "our family" always called him the "turd" ... I really don't remember how that came to be but he took it with a laugh, as with all the other kidding that came his way... He took such good care and concern with my sister Carolyn, I know she will miss him dearly .... God's speed my friend !!!

“ My brother Steve still owes me a jean jacket. He and his buddies were hunting and he wore my jacket. As he was jumping a little creek his gun hit a branch and was jerked out of his hands. It hit a stump or log and the gun discharged hitting him in the side. He blew part of his side off and he ruined my jacket. It had a big hole in the side and it was never repaired or replaced. I'm still waiting. Probably time to let that go.
