“ So sorry for your loss, I've known Bill for almost 55 years. He was always a good friend. He was the best man for my wedding. He was a great part of my travels for car shows and and fun times. He will be missed!

“ Met Bill many, many years ago through the West Michigan Street Rod Association. He was friends with everyone he met and we had many great times' Bill had a big heart...I remember he loaned his '34 Ford pickup to another pal to go to the Street Rod Nationals in Louisville, Kentucky. That's the kind of man Bill was. He was my friend and I'll miss him.

“ Bill and I have been a good friends for over 35 years. He was always proud of his Antique Classic Vehicles. In past years, we shared good memories over dinners, drinks, and bon fires. Bill was that special kind man who he would do anything to help a person in their hour of need. As a friend, he will be truly missed. For me, life on earth has become a lesser place to live, and Heaven has Greatly improved with the addition of my Friend Bill!

“ Bill has been my friend since I was 12 or 13. He introduced me to my wife of 52 years. My brother, Steve, and I would work with Bill on various projects including working on cars. We've been trying to meet at least once a month for breakfast just to catch up. We've had a lot of good times and he will be deeply missed.

“ Bucket head & Cletis that’s how Dennis remembers it . After all their years at Bishops and after. The phone would ring and Bill would say what’s bucket head doing? Going to miss that. Bill will always be thought of every time that phone rings. Our hugs and prayers to Pat and the family during this time of sorrow. Dennis and Carol Harris
